As Recruitment Co-Chairs, Stacia and Amanda's main goals are 1) to encourage the development of new AMWA chapters and 2) to ensure that all members at the local level become national members. To accomplish these goals, their focus is on 1) streamlining the process of opening a new chapter with an easy-to-follow checklist that can be sent to schools with no AMWA chapter and 2) selling the national membership by offering great incentives for new members and by advertising the benefits AMWA offers to all national members. Their goal is to add 500 new national members this year through these programs.
