Career Development Pre-Course - Women Physicians Shaping Their Future: Skills to Meet the Changing, Challenging World of Medicine Today

Mindfulness as the key to personal and professional well being · Crafting a career that thrills you · Crucial communication skills for women physicians building your personal leadership brand · Free coaching session for attendees!

At the end of this presentation, the attendee will be able to: 1. Incorporate mindfulness practices to cultivate and maintain equanimity in personal and professional interactions. 2. Recognize the importance of intentionality in creating a fulfilling life that reflects core values. 3. Use simple communication strategies and skills to inspire, engage, and influence others. 4. Recognize the effect of emotions and manage them to create desired outcomes. 5. Create a personal leadership brand in order to enhance results and influence.

Helene Froněk, MD, FACP, FACPh, Jacqueline Huntly, MD, MPH, Cathy Lanteri, MD, Deborah Munhoz, MS, PCC

Film - States of Grace: A Journey of Loss, Resilience, and Renewal

Discussion with Dr. Grace Dammann

"Winner of multiple audience awards, *States of Grace* intimately captures the profound transformation of a revered physician and her family in the wake of a life-changing accident. For Dr. Grace Dammann, a pioneering AIDS specialist who was honored by the Dalai Lama, a routine commute across the Golden Gate Bridge turned tragic when another driver crashed head on into her car."

Course Description This conference will convene leading academic physicians, scientists, students, and prominent policy makers to discuss advances in women's health, new concepts in mentorship, and career advancement for women in medicine.

Course Objectives At the conclusion of this program, attendees will be able to:

- Engage in mentoring for professional performance and career development
- Consider the role of sex and gender in the management and prevention of disease
- Recognize issues of gender disparity in the workplace
- Identify new strategies in patient care management, particularly in reproductive medicine and women's health

Accreditation Statement This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Indiana University School of Medicine and American Medical Women's Association. The Indiana University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement Indiana University School of Medicine designates the Career Development Pre-Course, Annual Meeting, and Writing Workshop live activities for a maximum of 24.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Faculty Disclosure Statement In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by Indiana University School of Medicine (IUSM) must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, and planning committee members participating in an IUSM-sponsored activity are required to disclose any **relevant financial interest or other relationship** with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.

Refunds prior to 2/1/17 will be subject to a \$75 fee. No refunds after 2/1/17. Registration is transferable.

Support the American Women's Hospitals Service (AWHS)

AMWA's commitment to global relief work since 1917

Dear AMWA-AWHS Supporters,

In recent years, many communities around the world have faced disaster and AMWA-AWHS has helped make a difference. Last year, our members supported relief work in Nepal, clinic operations in Haiti, Uganda, and communities along the Amazon River, and student projects in Uganda, Ethiopia, India, Haiti, Tanzania, and Rwanda. We have also inspired AMWA members to work on service projects in their local communities here at home.

After the initial relief crews depart, your contributions through AMWA-AWHS continue to help local support for the rebuilding and strengthening in places like Nepal. Let's continue to build up communities by making AMWA-AWHS your trusted partner for charitable contributions. 100% of your donations will go directly to supporting projects to improve care at clinics and communities around the world.

We hope to continue connecting and inspiring people around the world and providing care to those in need. Thank you so much for your ongoing support!

Sincerely,

The AWHS Committee

AWHS will celebrate its Centennial at the upcoming AMWA meeting. Visit AMWA's online exhibition, *Women Physicians in World War I*, to learn more about the founding of AWHS. <http://www.amwa-doc.org>
