Chapter Recruitment Grants

This fall, the student division is offering grants of up to $100 to help support chapters in their recruitment efforts. These will be accepted on a rolling basis and reviewed by the executive committee. These funds may be used towards the purchase of food and non-alcoholic drinks, printing of promotional material, room rental space, and more.

Receiving the funds requires a summary of the events, with photos if possible. This can be approximately one-half page that describes what the event entailed, the number in attendance, and recruitment numbers (if possible). The check will be mailed upon receipt of event summary.

To apply for one of these grants, please fill out the following and email it to president@amwa-student.org and president.elect@amwa-student.org.
