November 30, 2018 Early Bird Registration Ends
February 28, 2019 Poster Abstract Deadline
THE EVENT

MEDICAL WOMEN:
AMBASSADORS OF CHANGE IN A CHALLENGING GLOBAL WORLD

The MWIA Centennial Meeting will be held July 25 - 28, 2019 at the Brooklyn Bridge Marriott. This event presents an opportunity to network with the largest assembly of women in medicine from all over the world. We anticipate an attendance of 1,000 medical doctors. Applications will be accepted on a first come, first served basis.

About MWIA
Founded in 1919, MWIA is one of the oldest professional international bodies representing medical women from all over the world. MWIA serves as an international non-governmental organization (NGO) whose mission is two-fold: 1) To advocate for and empower women in medicine to reach their full potential in all aspects for medicine, and 2) To advocate for women’s health issues with the aim of improving the health of women and girls in society at large.

www.mwia.net

About AMWA (host organization)
The American Medical Women’s Association (AMWA) is an organization that functions at the local, national, and international level to advance women in medicine and improve women’s health. AMWA achieves this by providing and developing leadership, advocacy, education, expertise and mentoring as well as through building strategic alliances. Founded in 1915, AMWA is the oldest multi-specialty organization of women physicians. As the vision and voice of women in medicine for over a century, AMWA empowers women to lead in improving health for all, within a model that reflects the unique perspective of women.

## REGISTRATION PACKAGES

- **>>Full Meeting Package<<**
  Includes the entire meeting, reception, lunches, and centennial gala and offers $40 savings.

- **>>Meeting Only<<**
  Options include the entire meeting with opening reception and lunches, but without the gala.

- **>>Lecture Only<<**
  Option is offered only to students and residents in order to offer the lowest registration rates possible and does not include on-site meals or breaks. A discounted full package with all meals and gala is available to students/residents for an additional $200.

### MWIA Member Discount
- All MWIA members have discounted registration. To be an MWIA member, you must be a member of your national association. If you do not have a national association in your country, you may join MWIA as an independent member. Please view the list of current national associations (based on current paid dues to MWIA) [here](#).

### Guests:
- Accompanying guests may attend the reception and/or gala by purchasing a reception and/or gala ticket. When registering, select gala or reception option and add on any other events as an add-on.

POSTER SUBMISSION

Submission deadline: February 28, 2019

By submitting your poster to us, you are agreeing that we may distribute your poster to MWIA Congress attendees via an online portal or in print.

Before submitting an abstract, please read the submission guidelines below. You will be charged a one-time $40 non-refundable fee.

Posters that align with the MWIA Centennial Congress topics are encouraged. These include:
Gender specific medicine • Global health • Healthcare & technology • Gender equity • Women physicians: balancing career and family • Medical students, generation Y • Aging and women • Violence against women • History of medical women • The obesity epidemic • Impact of climate change on health • Women’s health

Posters may focus on
Clinical care – best practices
Clinical care – case study
Research – human subjects (clinical)
Research – bench, other
Graduate Medical Education

Submission Guidelines
Each poster abstract submitted requires a separate application.
All author names and email addresses are required and ALL authors must sign off on submission for the abstract to be eligible for consideration. An email will be sent to each author for their electronic signature approving the abstract at the bottom of the submission form.
The submitting author must be available to present at the conference.
Poster abstract must be 2000 characters or less (author names do NOT count toward word limit and 250 characters should be deducted for any graphic charts).

Formatting
For Scientific Research: Authors’ names (ex. Smith, Jane, L.), Hypothesis, Methods, Results, Conclusions
For Clinical Cases: Authors’ names (ex. Smith, Jane, L.), Case, Conclusions, Clinical Significance
Graduate Medical Education: Background, Educational Program or Innovation, Impact, Conclusion
