

American Medical Women's Association November Newsletter

UPCOMING EVENTS

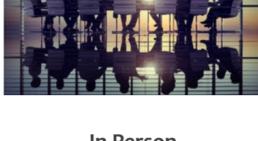

Online

(11/18) Happy Birthday AMWA! In honor of AMWA's 103rd birthday, AMWA leaders have launched a matching campaign fund to match the first \$11,000 in donations dollar for dollar. Please [support](#) AMWA and know that your donation will have double impact!

(11/26) Attend Girls With Impact: Proving the Power of Next-Gen Women Webcast, register [here](#).

(11/30) Vote for AMWA's 2019 Board of Directors [here](#).

In Person

(7/25-28) AMWA is proud to host the Centennial Congress of the Medical Women's International Association (MWIA). Join us in NYC for this unprecedented opportunity to network with medical women from all over the world. Register for early bird rates (before Nov. 30) [here](#).

(7/25-28) MWIA Centennial Congress to host a Story Slam! Submit your story [here](#) and win a chance to present at the MWIA Meeting.

Partners

Check out other great events listed [here](#) from the NIH Office of Research on Women's Health List of Upcoming Events, like "Building Interdisciplinary Research Careers in Women's Health (BIRCWH)" - Annual Meeting **(11/28)**

AMWA has joined [Be Brain Powerful](#), a campaign for women's brain health. Sign up to join the [30-day Brain Health Challenge](#).

NEWS

AMWA Co-Hosts the First iGiant® Summit on AI

The first iGIANT® Summit on Artificial Intelligence (AI) convened a diverse group of leaders from various sectors including space, IT, life sciences, marine sciences, energy, and education. Participants shared experiences from their professional and personal lives to address the impact of gender and sex on Innovation and novel technologies (iGIANT®).

Learn more and access the meeting recap [here](#).

Preventing Sexual Harassment

AMWA attended the National Academies of Science, Engineering, and Medicine (NASEM) [Together We Can Do Better: A Convening of Leaders in Academia to Prevent Sexual Harassment](#). View the recordings [here](#).

PROGRAM SPOTLIGHT

Advocacy

AMWA's Gun Violence Task Force helped draft [response](#) to the NRA tweet that doctors should "stay in their lane." Please sign on [here](#).

Doctor-Patient Rights Project (DPRP) was co-founded by AMWA to ensure that physicians remain the primary voice in determining a patient's treatment course. Have your patients been impacted by administrative burdens imposed by other parties? Share your stories [here](#).

AMWA's recent advocacy work is summarized [here](#).

Studio & Literary

Submit your original artwork/photography to [Studio AMWA here](#). (Pictured: "Corazón de Flores" by Keerthana Pakanati)

Literary AMWA is a gallery of fiction, nonfiction, and poetry from women in medicine who hope to foster healing through storytelling. [Submit your story](#)

Training/Learning

AMWA has launched an education initiative on myalgic encephalomyelitis (ME) through the use of film. [Click here](#) to watch the critically acclaimed, award-winning film, *Unrest* by Jen Brea (free CME).

Media

Join AMWA's [Member-Only Facebook group](#) to connect with members in a safe space, ask questions, share knowledge, and build relationships. [Join here](#)

Want to keep up with what AMWA members are doing around the world? Check out our [AMWA in Action](#) photo streams and videos [here](#).

Language of Caring—Advanced Communication for Physicians

History

"In 1929 [AMWA] spoke out in favor of birth control, long before it was widely accepted in the medical community"

As the first national organization of women physicians, AMWA has a rich and impressive history. Learn more through AMWA's [centennial book](#), [5-min history video](#), and [Faces of AMWA](#), an online exhibition of AMWA leaders, past and present.
