Business Acumen Workshop
A dynamic healthcare industry is driving the need for physician leaders to take on a wider range of responsibilities and navigate more complex levels of leadership. In partnership with Indiana University Kelley School of Business, AMWA has developed a 2-day Business Acumen Workshop to give physicians a broader understanding of the foundations of business knowledge so they can perform more effectively.

AMWA LEADS Academy
Essentials of Leadership: Your passion matters. Making it work for you.
The Leader Within: Harnessing the power of your best you.
I've Got a One Track Mind: Changing perspective when you’re stuck.
When Positive Isn't Enough: Importance of failure and how to do it well.
Mission Accomplished! Achieving complex and lifetime goals.
