## ADVOCACY

Out of deep concern for the violence against civilian communities, AMWA supports actions aimed to stop the escalating crisis in Armenia and Nagorno-Karabak. [Read our statement.](#)

**Physicians Against the Trafficking of Humans** developed a study in partnership with MD Anderson to understand the limitations of treating patients at-risk. [Please complete the 4-minute survey.](#) Your response is valuable & very much appreciated!

See the [AMWA Advocacy Timeline](#) for latest initiatives. Updated regularly.

## Member Spotlight

### Meet Amy Ho, MD

I am a storyteller whose aim is to help us see each other through a more humane lens. While my training is as a board-certified Pulmonary and Critical Care Medicine and Palliative Care medicine specialist, which takes up about 25% of my time, I put in the equivalent of at least another full-time job to...
