**2022 PHYSICIAN
TRANSACTIONS CONFERENCE**
March 24

More physicians than ever are entering into partnerships with larger organizations, as evidenced by around 400 transactions during 2021.

The 4th Annual Physician Transactions Conference will be held on March 24 at the University Club in Chicago.

The sole objective of this conference is to educate physicians and leaders of independent medical groups on current market trends, the pros and cons of various strategic options, and how to maximize enterprise value and physician compensation over the next five years.
