

AMWA

**109th Annual Meeting**  
March 22-24, 2024, Virtual

**Would you like to:**

Expand your knowledge beyond your daily work? Learn and share experiences with others? Get to know AMWA's leadership and hear the vision for 2024? Feel part of a strong community of women physicians? Have your voice heard?

We invite you to join us at AMWA's Annual Meeting, ***Thriving. Leading. Transforming : Securing your Future in the Changing Landscape of Medicine, Virtual March 22-24.***

Here's a preview of our kickoff Keynote Session on Day One:

**Navigating the Changing Legal and Business Landscape of Medicine: Why Does This Matter?** *Dr. Elizabeth Valencia, MD, JD, Congresswoman Kim Schrier, United State House of Representatives, and Dr. Monica Bertagnolli, MD*

As the legal and business landscape of medicine continues to undergo significant change, do you wonder what the impact may be on you and your area of practice? Join us for this key session to learn how you can position yourself to optimize the care of your patients and thrive in your career amidst rapid transformation.

*Other topics and sessions include:*

- **Can We Reach Common Ground? Navigating Difficult Conversations on Controversial Medical Issues**
- **Unveiling Health Through the Lens Sex and Gender**
- **Thinking Outside the Box: Advancement of Women in Medicine with a Multi-Specialty Approach**
- **Finding the Right Mentor & Maintaining the Relationship Through Key Conversations**
- **Create a Career You Don't Want to Escape From**
- **Clinical Hot Topics such as obesity, dementia, sleep disorders, women's health, and managed care**
- **Networking Opportunities, Awards, Our Gala, Paint Night and more!**

Our Annual meeting co-chairs ***Eleanor Chu, MD and Vidhya Prakash, MD*** feel excitement building as planning continues for AMWA's annual meeting this year. *"We love seeing the inspiring successes of our fellow female physicians, the uplifting vibes, and the priceless pearls of wisdom for our careers and wellness."*
